

## Summer Transition and Orientation

**August 31 - September 2, 2009**

### What Is This Program About?

Our Summer Transition and Orientation Program is geared to help students with learning disabilities make a successful transition to college life.

Students participate in workshops to get a head start on their success by identifying resources and strategies.

The workshops give students the opportunity to explore our programs and services while meeting staff members and other students.

### What Are The Benefits?

This program is offered to students with learning disabilities at **No Additional Cost**. Students will benefit by:

- Preparing for a Successful Transition into College
- Determining Assessment and Screening Referrals
- Receiving Training on Technology
- Identifying Learning Strategies
- Learning about Student Financial Assistance
- Meeting New Friends
- And Much More...

### When and Where Is It?

This 3 Day Session runs from **August 31 to September 2** and is located at the College Drive Campus in the AccessAbility Services area.
