

Canadore College 2012 Summer Transition and Orientation

Monday, August 27 to Thursday, August 30, 2012

What Is This Program About?

Our Summer Transition and Orientation Program is geared to help students with learning disabilities make a successful transition to college life.

Students participate in workshops geared toward identifying resources and strategies to assist reaching their potential.

Our program gives students the opportunity to explore the AccessAbility services while meeting staff members and other students.

What Are The Benefits?

This program is offered to students with learning disabilities at **No Additional Cost**. Students will benefit by:

- Preparing for a Successful Transition into College
- Determining Assessment Referrals
- Receiving Training with Assistive Technology
- Identifying Learning Strategies
- Learning about Student Financial Assistance
- Meeting New Friends
- And Much More...

When and Where Is It?

This runs from August 27 to August 30, 2012 and is located at the College Drive Campus in the AccessAbility Services area.
