Here's how Orientation 2008 will get you started in the right direction:

Orientation 2008 will help you get your bearings.

- find your way around the college
- get help with the "have-to" paperwork
- identify "must know" important dates
- focus on things that are important to know when you're enrolled in college and have a learning disability/ADHD
- connect you with the people who can help you for as long as you're at college

YOU WON'T BELIEVE YOUR EYES ... OR EARS!

You will be amazed at the technological advances that are being made for students with Learning Disabilities/ADHD

At Northern College, we are on the cutting edge of **Assistive Technology.**
